## **MVP RV Signs Poulsbo RV with Tahoe**

Southern California RV manufacturer introduces the rapidly growing Tahoe line of affordable Class C's to the Pacific Northwest.

June 1 2011, Riverside, CA. – MVP RV, Inc. today announced that it has reached an agreement with Poulsbo RV to be their dealer for the affordably priced Tahoe line of Class C Motor Homes. "We are very excited about this new line", said Jim Elliott, Poulsbo RV COO. "We took our time making this decision. We visited their production facility, walked the production line, talked with current Tahoe dealers, and met with their leadership team. In the end, we truly believe this line will be a very good fit for Poulsbo RV. The Tahoe fills an important price point and segment of the market for us. Having a full line manufacturer on the West Coast is very important to us for a list of reasons" he added.

"We are proud to add Poulsbo RV to our growing family of Tahoe dealers", said Niles Whitehouse, Tahoe's National Sales and Product Manager. "Poulsbo RV is a family owned and operated RV dealership that has been in business for nearly 25 years. Their commitment to customer service, integrity, and reputation for selling quality products made them the natural selection for us. We believe the Tahoe product is represented by the best dealers in each of our markets and Poulsbo RV certainly adds to that elite list."

The all new 2012 Tahoe features five floor plans ranging from under 20' to 31', comes standard with a 4.0 Onan generator, fiberglass front cap, 3 burner range with oven, deep double bowl stainless steel galley sink, 83" interior height throughout, hard wood drawers with full extension roller bearing guides, pass through storage on all models, Ford V-10 engine, and 32" LCD TV. MSRP starting at \$61,544.00
